## MENLO PARK NEWS NOTES

The people of Menlo Park are fortunate in having Edward J. Ryan as city judge. He is able, honest and knows the law. Mr. Ryan is popular with the voters. Some day it may be "Judge Ryan of the San Mateo County Superior Court."

Mr. and Mrs. Hutton Webster, who were married in Trinity Episcopal Church on Monday, have taken a cottage on Johnson Ave. Mr. Webster has a studio at the Allied Arts Guild. The pretty bride is the former Janet C. Nelson of Whitewater, Mass.

The card parties given every Friday night by the Catholic Women of the Ravenswood district are enjoyable affairs. They are well attended by fans from Redwood City and Palo Alto. These parties will continue for several weeks.

Though the municipal election does not take place until next April, several candidates are preparing for the fray.

The 26th district American Legion sponsored their regular monthly meeting at the Palo Alto Veterans Facility Friday evening, Oct. 17. L. E. Tilliman, president of Columbia Pictures Corp., San Francisco, sent an animated cartoon and "Naval Aacademy," the latest picture in which Billy Cook is featured. Isabella Weeden Lindquist, 26th District American Legion Hospital Entertainment Committee chairman, was master of ceremonies and introduced Billy Cook to the audience. He gave an interesting talk on the highlights of making movies and answered questions. Billy is attending Sequoia High School at present but is on call to his Hollywood studio. Comm. Phil Blanchard and other legionnaires were present. Dr. Chester Carlisle, clinical director of the Veterans Facility, and his wife were among the personnel in attendance. Isabelle Lindquist Weeden sang several solos and led the community singing.

Florence Surber, 26th District American Legion Auxiliary Rehabilitation chairman, attended the school of instruction at War Memorial Auditorium in San Francisco. Mrs. Lindquist substituted for the department musician.

Local ladies attending the initiation at Palo Alto Rebekah Lodge Wednesday night were Mrs. Mary Jones, Mary Heber, Isabelle Lindquist, Catherine Martin and Josephine Culver.

## Toastmasters Club Hears Three Talks

Three members of the Toastmasters Club were speakers on the group's weekly program Monday night.

John W. Brand spoke on "Defense," outlining the use of the many materials the government requires for defense manufacturing.

Chester Armstrong talked on "What Is a Billion?", citing abstract and concrete examples to help his listeners understand how big the number actually was.

Max L. Gelber recounted his experiences in helping fight a forest fire several years ago. He titled his talk, "We Had a Hot Time."

### SMJC, HORSEMEN ARE SUED

San Mateo Junior College District and the San Mateo County Horsemen's Association were named in a $15,000 damage action filed in superior court here. Plaintiff in the action is Ruth A. Davis of San Mateo, who alleged that she sustained permanent injuries when she fell down a stairway in the junior college auditorium while attending a performance put on by the horsemen's group.

*It's a friendly Business*

"For the past few days one of your men has been perched high on a telephone pole outside the window of my home . . .

"Since his position was above the roof of my house, he could see that my radio aerial was down.

"Imagine my surprise when on his own time on his noon hour this man . . . brought the company's ladder, climbed up to my roof and repaired the broken antenna.

"Because of his kindness my wife and I are this night able to listen to our favorite programs."

We suspect that it gave this telephone man much pleasure to render that courtesy. It's a friendly business—attracts friendly people.

## OUT YOU GO! YOU OLD CHEAT...

IT IS HUMAN to become sentimentally attached to a faithful old kitchen stove. You learn its tricks—you forgive its faults. But compared to modern CP Gas Ranges any old stove is just an old cheat.

The modern gas range is not only a marvellously better-looking, it is definitely a better-cooking home appliance. It's fast . . . it's economical . . . it's as easy to clean as a china plate. It never cheats you on correct cooking heat for perfect frying, baking or broiling. Its insulated oven eliminates hot and cold spots, permits the new low-temperature cooking that reduces meat shrinkage and saves you money by making inexpensive cuts of meats juicy and tender. Simmer top burners make possible waterless cooking which saves healthful vitamins and food values in stewed fruits and vegetables.

Buy a Gas Range for Cooking Performance. The CP seal guarantees to you that 22 of newest gas range features have been combined in one range. When any manufacturer meets these 22 points of superiority, his range is awarded the CP seal. Certified Performance Gas Ranges are on inspection everywhere. See them today. Buy Now and Save.

## MENLO PARK NEWS

(Continued from Page 1)

Mateo County entertained in honor of State Pres. Alice Roll of San Jose.

The meeting hall was decorated in American and Bear flags and chrysanthemums. Visitors were present from San Jose, San Francisco, Redwood City and Palo Alto.

After the meeting refreshments were served at tables decorated in Halloween colors and tall orange colored candles. At the guest of honor's place was a large cake bearing the words, "Welcome Alice Roll," a gift from Past Grand President of the Native Daughters, Mrs. Evelyn I. Carlson. Mrs. Roll gave a very instructive talk on the aims of the Past Presidents Association. She was presented with gifts from the association. Other state officers present were State Vice Pres. Mrs. Anne Dipple of San Francisco and State Inside Sentinel Mrs. Frances E. Maloney of Menlo Park.

Mrs. Homan Moore, president of the association, had charge of the meeting and the committee of arrangements was Mrs. Joseph Loverich, chairman, and Mrs. Catherine Derry and Mrs. Frances E. Maloney.

Mr. and Mrs. William Hawkins are the proud parents of a baby boy born Thursday in the Palo Alto Hospital. Mrs. Hawkins formerly was Kathryn Maloney of Menlo Park.

Mrs. Frances Maloney of Menlo Park was a guest at the dinner given in San Francisco on Monday evening at the Women's City Club in honor of state president of the Past Presidents Association of the Native Daughters, Mrs. Alice Roll of San Jose. A large class of candidates were initiated during the meeting that followed the dinner.

## Junior Chamber Head To Be Feted Nov. 26

Plans for a district meeting Nov. 26 at Los Gatos at which State Pres. Henry Frost of Glendale will be honored were made by Junior Chamber of Commerce representatives at a district meet in Hollister Monday night. William E. Morrissey of Redwood City, district vice president, presided. Others in attendance from here were Pres. Floyd F. McCue of the local club, Ray Leith and Ralph Schneider.
